Letter of Interest

Dear Jackie,

Moses Resources Company would like to staff and provide full day's waiver services to the three individuals living in Auglaize County. After thoroughly checking every person's profile details, we came to a conclusion that our agency is best suited to provide services to the clients in their homes and community. We provide transportation services to our clients' to attend the daily programs. In addition, we provide similar services during the weekends when they visit their families. We boast a vast experience in the Department of Developmental Disabilities (DODD) since the year 2007 from the institution Forest Development Center. Our personnel is exemplary products of this institution, with specialties in; medication administration, HPC, wheelchair transportation, money management, community integration, respite, community inclusion just to mention but a few. Our efficient communication systems involve visual, verbal and sign language to provide a wide base of passing information and interactions.

Our company has provided therapeutic programs to clients in the Department of Developmental Disabilities to help them attain personal independence and vital special care needs. In addition, our staff is competent and poses the knowledge and skills concerning mental illness, prader willi syndrome, personal care, including disabilities in behavior and development. We effectively provide extraordinary attention, care and supervisory aid to clients and staff.

The benefits to the people we serve are clearly stated in the company profile. These include: strengthening the development of independence, promoting healthy living and development of life skills and promoting socialization with family, friends, and colleagues. Moreover, the Moses Resources Company provides access to customized services which aid in dealing with the varied nature and complexity of our clients' needs.

Thank you for this opportunity. We will be honored to provide these services to our esteemed clients.

Please contact us with questions and or inquiries via phone at-----or email at-----.

Sincerely,
